GOD'S WILL
Discussion Guide

BIG IDEA

We often think knowing God's will is like walking a tightrope, hoping we don't miss it, and worrying we might. God's will is more of a journey in relationship with him. Some of his will is obvious – his commands and the things he forbids. The rest is up to us to choose using the principle of what is both permissible and beneficial to others.

TALK IT OVER

- What are some of the biggest or toughest choices you've made?
- Why is knowing God's will a journey based in relationship?
- How would your life change if you lived out what is known about what God commands and forbids?
- What assurance do we have when we make a choice not in the will of God?
- As a result of this teaching, how will you complete the sentence: "I will _____."?

SCRIPTURES

Romans 12:1-2 (CSB)
Ephesians 5:17
Galatians 3:1-3
Micah 6:8
I Corinthians 10:23-24

PRAYER FOCUS

At Lifepoint, we pray until something happens.

- Together, we are engaged in 21 days of prayer and fasting. Talk together about how you will participate. Make certain to review the prayer guide (lifepoint.org/21days) and pray through the day's topic and scripture when you meet.

LEADER TIPS

- Your group will go where you lead them. They are watching your actions and your words to learn how to live. How are you modeling a lifestyle of prayer for them? How are you stretching yourself to grow in this?
